Virtue, Merciful To Me

(Na na na na na na na na na na na na na na na na na)
I can remember on that day
When my life almost slipped away
Though I knew I wasn't sober you decided it's not over
'Cause You knew my life was more than I could see (ooh)
I look back upon it all (ooh)
You've been merciful to me
I look back upon it all (upon it all)
'Cause You've been merciful to me

It was so hard to understand
Nothing was going like I planned
I should have laid it all upon You but I took my pain out on You
But You looked beyond what was to what could be
I look back upon it all
(You've been) You've been merciful to me (yea)

(Bridge)
And while I was giving up on me
Your patience was shaping my life story
You worked a miracle I know I don't deserve
(Na na na na na na na na na na ooh)

Not a moment should pass before I say
You never took Your love away (ooh)
(?)
(I will always) remember
That the grace You gave me changed my destiny
I look back upon it all
You've been merciful to me
(I look back upon it all) I look back upon it all
You've been merciful to me
I look back upon it all
You've been merciful to me
