

## 2 Chainz, PROUD ft. (YG, Offset)

true University i pull  
it up and murk a beat  
momma's house was filled  
up with bags of Hercules  
as soon as I finish  
passing I put the seat down  
or my momma gonna  
curse my damn ass out  
only child  
no sisters no besties  
I could n't do  
nothing right like a lefty  
bought my momma's first  
house with the Jugg money  
bought my momma's second  
house with the club money  
me and mamma used to  
trap ut the same house  
used to eat and go to sleep  
on the same couch  
me and momma got busted  
at the same time  
went to court and told Judge  
the damn same lies ;)  
I can tell momma  
proud od her only son  
2 Chainz I always  
have worn more than 1  
I'm real  
I'm ill  
you know you gotta feel  
you popping pills  
I'm rarer than 2 dollar bills  
I'm just tryna make my momma proud  
I ain't tryna let my momma down  
I'm just tryna make my momma proud  
I ain't tryna let my momma down  
my momma  
ain't raise no ho  
my momma  
ain't raise no ho  
my momma  
ain't raise no ho  
my momma  
ain't raise no ho
