

# 22-20s, 22 Days

for all of the times I tried to make you see  
well I'm sorry, yeah I'm sorry  
but I still don't understand who you expected me to be  
but I'm sorry, yeah I'm sorry  
well I'm sorry for you and I'm sorry for me

goodbye babe well I'm up off my knees  
you're so easy to love and you're so hard to please

I'm not looking for acceptance  
I'm not looking for a place  
I'm not trying to impress you  
I'm not looking for appraise  
but I was looking for something  
that I can deface

goodbye babe when you're blue tis so rare  
you're so easy to love but there's nothing really there

twenty-two contries in twenty-two days  
with you in my head, with you in my head  
twenty-two nights, just trying to erase  
every word that you said, every word that you said  
but it still makes me sick I'm so easily in love

goodbye babe when it's hard to turn round  
you're so easy to love and so hard to tie down
