

# 5 Seconds Of Summer, Lonely Heart

your type of mind  
so hard to find  
native of mine  
you're just my kind  
down on my knees  
I'll always follow

i promise you  
until the end of time

our house of fire  
we're burning  
we dance inside  
you're hurting  
if you leave me  
in the morning  
I'll have such a

such a lonely heart  
such a lonely heart  
if you can't find any reason to stay  
than I know I am gonna always have a  
lonely  
lonely  
lonely  
lonely heart

your precious heart  
can't watch it break  
so I'll close my eyes  
while you walk away
