

# 5 Seconds Of Summer, Lost Boy

I can't remember the last time I saw your face  
I feel so lonely without the crowded space  
You left with me without direction

I've come from place to place  
Trying to bring you back  
I've walked for days and days  
Cause I can't face the fact  
That nothing is better than you

I'm coming because I need to find you  
Is anybody there to the rescue  
Somebody like me  
Cause I'm just waiting  
For somebody like you  
Somebody like you

Cause without you I'm a lost boy  
Without you I'm a lost boy  
Come find me I'm a lost boy  
Cause without you I'm a lost boy

I can't remember the last time I heard your voice  
I've sat in silence livin in a world of thoughts  
Cause you were perfection

I've hoped for weeks and weeks  
Trying to bring you back  
I've walked from street to street  
Cause I can't face the fact  
That nothing is better that you

I'm coming because I need to find you  
Is anybody there to the rescue  
Somebody like me  
Cause I'm just waiting  
For somebody like you  
Somebody like you

Without you I'm a lost boy  
Without you I'm a lost boy  
Come find me I'm a lost boy  
Cause without you I'm a lost boy

Come find me [x14]

Without you I'm a lost boy  
Without you I'm a lost boy  
Come find me I'm a lost boy  
Cause without you I'm a lost boy

I'm coming because I need to find you  
Is anybody there to the rescue  
Somebody like me  
Cause I'm just waiting  
For somebody like you  
Somebody like you

Cause without you I'm a lost boy  
Without you I'm a lost boy  
Without you I'm a lost boy  
Without you I'm a lost boy
