50 Cent, Beautiful

Everyday is so wonderful, then suddenly, it's hard to breathe Now and then i get insecure, from all the pain I'm so ashamed I am beautiful no matter what they say Words can't bring me down So don't you bring me down today To all your friends your delirious So comsumed in all your doom Trying hard to feel the emptiness, the peace is gone, Left the puzzle undone, is that the way it is? You are beautiful no matter what they say Words can't bring you down 'Cause you are beautiful in every single way Yes words can'tbring you down So don't you bring me down today No matter what we do No matter what we say We're the song inside the tune, full of beautiful mistakes And every were we go the sun will always shine And tomorrow we might awake up on the other side 'Cause we are beautiful no matter what they say Yes words won't bring us down

So don't you bring me down Ohh, i ,ohhhh today.....

Ohh, i ,ohhhh
