

50 Cent, Cry Me A River (Remix)

(50 Cent)

She aint that chick from the burbs thats a stranger to drama
She that uptown girl wit the cocky personna
When out my way to let her know that I want her
I told her I know for sure we belong together
and I wouldnt break her heart my intentions are better
And I shared the same dreams she had about chedda
When the D's came she was down to hold the BARETTA
I got a thing for baby girl
It's me and her against the world

(Justin Timberlake)

You were my sun, you were my earth
but you didnt know all the ways I loved you, no
So you took a chance, made other plans
But I betcha didnt think that they would come crashin down, no

You don't have to say, What cha did
I already know, I found out from HIM
now theres just no chance
with you and me
there will never be
don't it make you sad about it

you told me you love me
Why did you leave me all alone
now you tell me you need me
When you call me on the phone

Girl I refuse
you must have me confused with some other guy
the bridges were burned
now its your turn, To cry

Cry me a river
Cry me a river er er

(50 Cent)
Your smile make my day it's simple, your dimple
Your eyes, your lips, your thighs got me hypnotized
Communication is deep, I love it when we talk
Hate it when you leave but when you leave I love to watch you walk
You make a nigga forget about a life full of DRAMA
She got expensive taste she get it from her momma
Materialistic still a nigga wanna consistantly miss her
Touch what she don't, she smell like CHANEL
She feelin me and I can tell
With the right woman by my side I feel like I can't fail
I been around been up my attitude if fuck it now, she a rider
I'm in heaven when I am inside her
Workin up a sweat, kissin on her neck
Twirl play in the deck four bit correct
Have her drippin wet
She look in my eye and said she like but I know she love it
I just keep doin what I'm doin and think nothing of it
