

50 Cent, MJB da MVP(feat. Mery J. Blige)

Yeah

Lets takeem back

Uh huh

1st Verse:

91 I stepped

In this game

After "What's The 411?"

Things ain't been the same

And I can't complain

But with all this fame

Comes a whole lot of pain

But Im so glad

To be here

And my music

Is still sincere

Lets get back to the story

All of this pain and glory

In 94 was My Life

And my life wasnt right

So I reached out

To you and told you

What Ive been through

Hook:

[50 Cent & Mary]

Hate or love it

[50 Cent]

The under

Dogs on top

[50 Cent & Mary]

And I'm gon' shine

[50 Cent]

Homeie until

My heart stop

[Mary]

Go head

And envy me

Im the

Soul hip-hop queen

And I ain't going

Nowhere but you

Already know me

[50 Cent & Mary]

Hate or love it

[50 Cent]

The under

Dogs on top

[50 Cent & Mary]

And I'm gon' shine

[50 Cent]

Homeie until

My heart stop

[Mary]

Go head

And envy me

Im the

Soul hip-hop queen

And I aint going

Nowhere but you

Already know me

2nd Verse:

Then I came with

Share My World

But at that point

I was just a foolish girl

Tryin' to find my way
Then I dropped
The Mary album
And people would say that
Its just not
Gonna work
And my feelings
They did hurt
But my fans
Showed me so much love
And I owe
It all to them
Then I came with
No More Drama
I remember
That week
It was when Aaliyah died
I couldnt hardly sleep
Thought about it everyday
And it made me
Change my ways
Im a real woman now
Because of all these things
Repeat Chorus 1x
"You Remind Me"
Of a "Real Love"
"You Don't Have To Worry"
"All Night Long"
"I'm Goin' Down"
Shoo bi do bi doob
Do, do, doo
Shoo do do do
Do, do, doo
"Reminisce"
On the love
We had
You are "Everything"
"Love Without A Limit"
What you gonna do without
"My Life"
My life, my life, my life
Repeat Chorus 1x
Interlude:
Right now
I wanna thank
Each and every person
Out there
That's ever done
Anything for
Mary J. Blige
I wanna thank T.V.
Radio
Talk Shows
Friends
Family
But most of all
I wanna thank
My fans
For hangin'
In their with me
During the bad times
And now you're here
To see me
In a point
Of my life

Where I can actually
Call myself a queen
And for those
Of you
Who don't like it
This is
What you can do
You can do this
Vamp:
You can hate it
Or love it
Hate it or love it
Hate it or love it
Hate it or love it
Hate it or love it
Hate it or love it
Hate it or love it
Love it, love it
