

911, How Do You Want Me To Love You

I'm the kind of man
Who could treat you right
Give you what you need girl everyday everynight

Give me a reason
Show me a sign
Just let me know that I'm not wasting my time (not wasting my time)
I'll give you all that you want
Be your everything man (ahh)
Your wish will be my command (your wish will be my command)

Chorus:
How do you want me to love you?
Take it fast, take it slow, baby let me know
How do you want me to love you?
With my heart, with my soul, I'll take you anywhere you wanna go

Ha ha ha ha ha yeah
Yeah
Ha ha ha ha ha yeah

I look right through you, and you turn away
Tell me, how much longer must we both play this game?
What's it gonna take now
Gotta make you see
We should be together girl, it's our destiny

You need a lover who can show you the way (Ahh)
If you've got a problem I can make it OK (make it OK)
Now that I've found you, I can't let you go (ahh)
So girl, won't you just let me know
