A\$AP Rocky (ASAP Rocky), Kids Turned Out Fin

Kids are kids, understand Out late, going crazy, kids innocent Kids are kids, understand Out late, going crazy, kids innocent

the girls just want fun
the boys we make noise
the girls kiss the girls
I thank god aah
the kids will be alright
just fine
I heard about all of the long trials in life
all the drugs on my mind
all the trouble I can find
still I smile
the kids will be alright
just fine
all the colors are alive
no longer black or white

uh, kiss rthe kids call you baby daddy tell them who's daddy call your papi tell them the you happy shout it loud so they all know how you feel exactly inside sunny energize think about it like you feeling alive on the mama boy she swear to god lady said that she ain't into guys brand new cedes with the intercom table made is for the dinner vibe ain;t a killa so don't killa the vibe disrespect them that's a different side addreal and alcohol the teachers called the doctor called the block too hot the Marshall called see them grow and watch them crawl

hands touch the wall the kids do the lines alight ahh just fine the kids turned out fine the kids turned and run I hard about all of the long trials in filr all the drugs on my mind all the trouble I can find still I smile the kids will be alright just fine smoke weed, pour a line the kids turned out fine I pour a line I lose my mind
