A\$AP Rocky (ASAP Rocky), Sundress

(fucking with the wrong man said, she fucking with the wrong man ever since she left me)

I guess she fall into the wrong hands and now you're f-in' with the wrong man

you took some time away from me I see you made your mind just read the signs, it's clear to see I;m tryna make you mind cause love is blind your hurt is fine to heal, it take some time

I guess she fall into the wrong hands and now you're f-in' with the wrong man

tokyo trips shoppin sprees full of gifts I remember we would dream about kids tryna get that V with tha crib back when you used to Bs with that Crip gotta give a little to get a little bit in return no tables turn now and you heard about me and my bitch

I'm just tryna chill caiue lately I've been thinking about you nd rebuildin' walking around like you lost feelings I can tell he not fulfilling you in love with me still

they say only if looks culd kill for real you walk around town with that guy when you pass by I just laugh like, ach, ach, ach

I guess she fall into the wrong hands and now you're f-in' with the wrong man
