Lord Flacko Painting vivid pictures, call me Basquiat, Picasso Capo Head Hancho, now my following's colossal Ain't no boxer, Pacquiao, but got the chopper todo caso It's like you heard God spoke, I seen the ghetto gospel The choir like my reefer and the preacher got my eyes low Sister Mary Jane to make me sleep from singing high notes The bible or the rifle, goodnight folks

[Verse 2]

Bloody ink on my pen spelled suicide Kurt Cobain even died cause you scrutinize It's a fine line between truth and lies Jesus Christ never lied, still was crucified That's why I never judge another nigga Life's a bitch, but that bitch in love with other niggas 3 to a bed, sheets, no covers nigga Dirty kitchen, no supper in the cupboards nigga Sucker niggas, wassup with niggas? So my new attitude is like " Fuck them niggas! " I grew up with niggas but don't fuck with niggas I don't trust them niggas, ain't got no love for niggas Had the gold grills shining like them southern niggas Kept it trilla, now the whole world fuckin' with us Meanwhile, you treated all of us like other niggas Now your world is in my palm, take cover niggas

[Bridge

If I shall ever fall, Lord pick me up Ever since a baby, two deuce in sippy cups Ever since them diapers and my zip-me-ups Now I'm walking on my own, y'all, wish me luck

[Outro]
Where do we lie
Tell me where do we stand
Where do we go
It's all part of the plan
Where do we lie
Tell me where do we stand
Where do we go
It's all part of the plan
