

A.F.I., Mini Trucks Suck

Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop fuck
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop
Cruising with my new whore
I'm out of beer and I need more
Marijuana has got me high
Can only be heard when I need pot
Look at me, I said you're a prick
Flip off me, you wanna suck dick?
Stand right there, I'll fucking hit you
Hit you back, hit you back and slam right into a pole
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop fuck
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop
Like to cruise when I know I'm poor
I'm a regular at a liquor store
Max out the stereo, pump up the bass
I buy girl shit, wanna drive in a race
Think I'd rather fuck a chump
Need my beer and a little joint
Friends are easy, don't know shit
Going down and suck, at least I'm getting laid
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop fuck
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop
Yeah, boy!
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop fuck
Mini trucks suck
Cross the street in your mini truck
Mini trucks suck
Stupid piece of shit, hip hop fuck
