

A.P. Golden Boy, In California fucked

"In California fucked"
In California fucked
It's all about
when u early wake up
u dragg ur cock
and wear ur sock
and after that
u need to use ur rag
again the same
although u want to gag
day after day
everything is fucked
u see no way to go
last time in Poland sucked
I don't bullshit u
it's not a crapp
nice weather is a trap
just think about
and check my rap
times 2 - By Tilex Windex and Lame gone
most of Polish people clean shit in home
it's what u can do here for leaving
it's not party time it's not Thanksgiving
Ur young ur sweet
u should be on a beach
instead of that
u daily use bleach
to clean dirty showers
toilets and doors
ur friends now in Poland
r hitting dance floors
you're wasting ur time
you're wasting ur life
there is no goal
u have an old car and bike
ur parents and family
r thousands miles away
it's not very cool
u r alone it's so gay
times 2 - By Tilex Windex and Lame gone
most of Polish people clean shit in home
it's what u can do here for leaving
it's not party time it's not Thanksgiving
Fuckin Shower Power
can burn ur loungs
u always feel bad
even a taste on ur tongue
and u look very stupid
like not educated
but you're smarter than owners
it's so complicated
it's all because
u don't have green card
u r illegal like Mexicans
you're not a retard
so change ur mind
otherwise you'll cry
when u stuck in California
ur mom will die
times 2 - By Tilex Windex and Lame gone
most of Polish people clean shit in home
it's what u can do here for leaving
it's not party time it's not Thanksgiving
