

A Perfect Circle, So Long, And Thanks For All Th

Time is money and money's time
we wasted every second dime
diets, lawyers, shrinks and apps and flags and plastic surgery
now Willy Wonka, Major Tom, Ali and Leia have move on
signal the final curtain all in all it's atomic pageantry

Bravissimo, hip hop hooray
for this fireworks display
mind and body blown away
what a radiant crescendo

Ticker tape parade
our hair and kin line
Marylyn Monroe
In an a afterwind

Time is money and money's time
we wasted every second dime
Our politicians, fancy water and guns and plastic
Like Old friends and theirs moms
All the dolphins have move on
signal the final curtain all in all it's atomic pageantry

Bravissimo, hip hop hooray
what a glorious display
Melt our joyous hearts away
Under the mushroom cloud confetti

Bravissimo, hip hop hooray
mind and body blown away
what a radiant crescendo

Ticker tape parade
our hair and kin line
Marylyn Monroe
In an a afterwind

Time is money and money's time
we wasted every second dime
Our politicians, fancy water and guns and plastic
Like Old friends and theirs moms
All the dolphins have move on
signal the final curtain all in all it's atomic pageantry
