Abba, Tropical Loveland

Come to my loveland, wander along Beautiful gardens full of flowers and songs Come to the sunshine, beaches and sand Here's the two bluebirds, won't you come to my land

The grass is mellow and the sky is blue My paradise is waiting here for you

Oooh, it's a tropical loveland Oooh, I wanna share it with you Life can be funny Happy and sunny Oooh, in my tropical loveland

Come to my loveland, wander with me Lie with me darling in the shade of a tree Over the rainbow, under the moon That's where my land is, won't you come to me soon?

Just take my hand, I'll show you everything The secrets that my paradise can bring

Oooh, it's a tropical loveland Oooh, I wanna share it with you Life can be funny Happy and sunny Oooh, in my tropical loveland

Oooh, it's a tropical loveland Oooh, I wanna share it with you (I wanna share it with you) Oooh, it's a tropical loveland (It's a tropical loveland) Oooh, I wanna share it with you Oooh, it's a tropical loveland Oooh, I wanna share it with you
