

# Abraham Mateo, Are You Ready?

Feel so alive  
I'm lost in your eyes, in your eyes  
Play sweet love songs  
This all nigh long, all night long

Are you ready for a big day, day?  
I'm ready now to hearing you scream my name  
Are you ready for a new day, new day?  
You gotta me going crazy, y so crazy tonight,  
Are you ready for a new day, new day?  
You gotta me going crazy, so crazy tonight,

Hard, scape a peak  
So hard to breathe, so hard to breathe  
So much fun for you and me  
Turn up the bass, turn up the bass

Are you ready for a big day, day?  
I'm ready now to hearing you scream my name  
Are you ready for a new day, new day?  
You gotta me going crazy, so crazy tonight,  
Are you ready for a new day, new day?  
You gotta me going crazy, so crazy tonight,

Runaway, runaway  
I'm with you  
Runaway, no feel  
Break away, break away  
I'm with you  
Break away, no fear!

Are you ready for a big day, day?  
I'm ready now to hearing you scream my name  
Are you ready for a new day, new day?  
Are you ready for a big day, day?  
I'm ready now to hearing you scream my name  
Are you ready for a new day, new day?  
You gotta me going crazy, so crazy tonight,  
Are you ready for a new day, new day?  
You gotta me going crazy, so crazy tonight,  
Feel so alive
