Abysmal, Hymn

Oh Darkness,
I will give the throne onto him
Of Darkness,
I am harvesting the growth of my first spring
Of Darkness,
Through me you gave him the life
Of Darkness,
One world shadowed in me

Throught you - the birth of the Pillorian Age Throught you - the sand of the Gallow's Land Throught you - the rest of Velvet Pilloria Throught you - I will pass on my given oath

So I am falling my son For my mission is done My visions and you became one Out of my flesh... ...you shall build the town

Gallowenia Gallowenia Gallowenia Gallowenia
