

# Accept, Crucified

Life is like a slot machine  
Nothing's guaranteed  
You might give your soul away  
To cut yourself a deal

I really hate uncertainty  
Will I win or lose

Ain't nothing but a game  
Going insane - roll the dice again

Crucified - deep inside

I'm feeling crucified

Life is like a lottery  
Can I ever win  
Will it be another one  
Or me - who's cashing in

Ain't nothing but a game  
Going insane - roll the dice again

Crucified - deep inside  
I'm feeling crucified
