

# Accept, Down And Out

Hey, here I am, I'm feelin' good  
Takin' a ride on a hot summer night  
'cause on a long, hot, hot summer night  
Just don't know why I know what I am

So let'em keep on runnin'  
So let'em keep on chasin' me

Yes, here I am, all heavy legged  
Been dancin' on, on a hot summer night  
Call me a scrounger, a degenerate bum  
Every day hear it over again

So let'em keep on runnin'  
But let'em keep on chasin' me

You are down and out  
When you're just being your self  
We ain't down and out  
Man take a look at yourself

See a summernight sky,  
I feel like runnin'  
I feel like livin' the way I do  
That's who I am,  
what I'm doin's right, it ain't wrong  
I'm livin' this way, if livin' is true

So let'em keep on runnin'  
But let'em keep on chasin' me

You are down and out  
When you're just being your self  
We ain't down and out  
Man take a look at yourself

You're always sayin',  
I'm sleepin' all day  
A day's too long to sleep it away  
You gotta think it over, over again  
My eyes may be closed  
but I'm livin' within

Let'em keep on runnin'  
For let'em keep on chasin' me

You are down and out  
When you're just being your self  
We ain't down and out  
Man take a look at yourself

You are down and out  
When you're just being your self  
We ain't down and out  
Man take a look at yourself
