

# Accept, Son Of A Bitch

You make the stars  
Illusions and dreams  
You're what you are  
D'you know what I mean

I hear you clear  
See in your eyes  
Lying to please  
It pleases to lie

You say it's your way  
You say we'll make it right to the top  
Your bullshit gets me  
What have you got

I don't believe  
A word you say  
You make me laugh  
Get outta my way

You say it's your way  
Now listen to what I think of you:

Son of a bitch Kiss my ass  
Son of a bitch Son of a bitch You asshole Son of a bitch  
Cock suckin' motherfucker I was right - take this

Uuuuuuuuuuuuuuuuh

Son of a bitch Kiss my ass  
Son of a bitch, ...

Son of a bitch you asshole  
Son of a bitch, ...

Cut you three times below the ass to short to shit  
Two timing son of a dog
