

# Accidental Superhero, Jade

i knew the way to get her  
was to let her know  
that i didn't want her  
don't let it show

i knew i could not stop her  
her mind was slow  
she hoped i couldn't see her  
when her tears would flow

now she's long gone  
does she know the way  
maybe she's wrong  
but she likes the jade

and the walls of berlin  
couldn't stand the hate  
her walls are iron  
and i cannot wait

now she's long gone  
does she know the way  
i know she's wrong  
but she likes the jade

now to say i'm sorry  
for my heart that's free  
is to live in a silence  
that's killing me

now to say i'm sorry  
for my heart that's free  
is to live in a prison  
just you and me
