

Act Fast, Boring

Things never seem to turn out just right
Why I don't know
Things used to move way to fast
Now it seems to move so slow
We used to do lots of cool stuff
Now I just sit and watch tv
Life used to be so exciting
What is wrong with me

chorus

Life is
Supposed to be spontaneous
When we're young
Everything is supposed to move to fast

But lately
Nothing seems too exciting
I've been getting lazier
Always out first and always in last

I think about the way things used to be
And then I kick myself
'cause I know it will never be the same
Sometimes I wish I was someone else
I just get so God damn bored
Sometimes I feel like I'm dead
Everything is too calm
I know it's not all in my head
