

# Active Child, Silhouette (Feat. Ellie Goulding)

Giving this world everything I've got  
Running through the woods, running through this shots  
Tryna to survive a day!  
All I want is that you stand here into me  
Singing outside waiting for the words to come  
Living my life trying do what's right,  
And hope for a better day  
You know those words you wrote me brought me to my knees  
All I'm saying is that

You're home, you'll never be alone  
You're home, you'll never be alone  
You're home, to be alone  
You're home, I can find you home

[Ellie Goulding:]  
Singing outside waiting for the world to call  
Living our life trying do what's right  
And the hope of a better days  
And all I want is that you stay, land your hand to me

Show me where it hurts,  
We'll make ok.  
Tell me that you'll stay  
Even when I'm far away  
My voice will carry through  
Until the end it's me and you  
We can make it if we try  
All that I'm saying is that:

You're home, you'll never be alone  
You're home, you'll never be alone  
You're home, to be alone  
You're home, I can find you home
