

# Adam Levine, Go Now

So here we are  
We've got another chance for live  
It's what you want  
I can see it in your eyes  
You see so clear  
It's coming into live  
Go on!  
Be wrong  
Cos tomorrow you'll be right

Don't sit around and talk I over  
You're running out of time  
Just face ahead  
No going back now

You come so far  
I see you current all the time  
Go on!  
Keep running for your live  
Make up your mind  
No going back now  
See it all come falling down  
You try so hard to figure out  
Just what it's all about  
You'll find it on and on and on  
For what you know it's true  
I say go on and on and on  
Do all that you can do

We're never gonna go  
If we don't go now  
You're never gonna know  
If you don't find out  
We're never going back  
When you were turning around  
We're never gonna go  
If we don't go now  
We're never gonna go  
If we don't go now  
You're never gonna know  
If you don't find out  
We're never going back  
When you were turning around
