

# Adrian Burek, I Feel Like I'm Drowning

you keep dreaming and dark scheming  
you do  
you're a poison and I know that is the truth  
all my friends think you're vicious  
and they say you're suspicious  
you keep dreaming and dark scheming  
you do

I Feel Like I'm Drowning  
I'm Drowning  
you're holding my down and  
holding my down  
you're killing me slowly  
so slow  
I Feel Like I'm Drowning  
I'm Drowning

you're so plastic  
and that's tragic  
just for you  
I don't know what the hell you gonna do  
when your looks start depleting  
and your friends all start leaving  
you're so plastic  
and that's tragic  
just for you

I Feel Like I'm Drowning  
I'm Drowning  
you're holding my down and  
holding my down  
you're killing me slowly  
so slow  
I Feel Like I'm Drowning  
I'm Drowning

my life's ok  
just when you're not around me  
my life's ok  
just when you're not around me  
my life's ok  
just when you're not around me

I Feel Like I'm Drowning  
I'm Drowning  
you're holding my down and  
holding my down  
you're killing me slowly  
so slow  
I Feel Like I'm Drowning  
I'm Drowning
