

Adrian Trojanowski, I can't believe

I can't believe
That's impossible
I'm not your love
I can't believe
We fit to each other
Lot's of night we talked together
So many wasted day
So many words we said
REF: I can't believe
 I love you
 But you don't love me
 You prefer to sleep alone
 You want to live in leneliess
I can't believe
That all is bad
Wordl stands upside down
I want to be with you
But You throw away my love
REF: I can't believe
 I love you
 But you don't love me
 You prefer to sleep alone
 You want to live in leneliess
REF: I can't believe
 I love you
 But you don't love me
 You prefer to sleep alone
 You want to live in leneliess
