

Agent Orange, I Only Wanna Be With You

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you started something, can't you see
That ever since we met, you've had a hold on me?

It happens to be true
I only wanna be with you

It doesn't matter where you go or what you do
I wanna spend each moment of the day with you
Look what has happened with just one kiss
I never knew that I could be in love like this

It's crazy but it's true
I only wanna be with you

You stopped and smiled at me, asked me if I'd care to dance
I fell into your open arms and I didn't stand a chance

oh, I just wanna be beside you everywhere
As long as we're together honey I don't care
'Cause you started something, can't you see
That ever since we've met, you've had a hold on me?

its crazy but true
I only wanna be with you

You stopped and smiled at me, asked me if I'd care to dance
I fell into your open arms and I didn't stand a chance
oh, I just wanna be beside you everywhere
As long as we're together I don't even care

'Cause you started something, can't you see
That ever since we've met, you've had a hold on me?

it happens to be true
I only wanna be with you
its crazy but its true
I only wanna be with you
no mater no mater what you do
i only wanna be with you
