

# Agent Orange, I Only Wanna Be With You

I don't know what it is that makes me love you so  
I only know I never want to let you go  
'Cause you started something, can't you see  
That ever since we met, you've had a hold on me?

It happens to be true  
I only wanna be with you

It doesn't matter where you go or what you do  
I wanna spend each moment of the day with you  
Look what has happened with just one kiss  
I never knew that I could be in love like this

It's crazy but it's true  
I only wanna be with you

You stopped and smiled at me, asked me if I'd care to dance  
I fell into your open arms and I didn't stand a chance

oh, I just wanna be beside you everywhere  
As long as we're together honey I don't care  
'Cause you started something, can't you see  
That ever since we've met, you've had a hold on me?

its crazy but true  
I only wanna be with you

You stopped and smiled at me, asked me if I'd care to dance  
I fell into your open arms and I didn't stand a chance  
oh, I just wanna be beside you everywhere  
As long as we're together I don't even care

'Cause you started something, can't you see  
That ever since we've met, you've had a hold on me?

it happens to be true  
I only wanna be with you  
its crazy but its true  
I only wanna be with you  
no mater no mater what you do  
i only wanna be with you
