## Aitch, AitcH2O Freestyle

Come to me for info if you're tryna know which way to go Me, I had the tekkerz from a younger, then became a pro Water when I spit, I'm saying nobody can break the flow Essential in this game so I'ma call the EP H2O, get me? I thought I'd come on here and say "Hello" Before I go and play the new single up on the radio Shout everyone who's supporting, it really saved me though If music never happened, God knows how I'd be making dough Trust me darg, you gotta take your opportunity Don't matter if it's 9 to 5 grafting or it's musically Strong team around me, real ones, they step through with me My broski is arresting if somebody try to move to me Take me in, you gotta pull it up and spin it Ayo, listen baby girl, I swear you're lucky if I lick it Mac daddy, Aitch will stay running up the digits I can't wait to drop the tape, man, I swear it's been a minute
