

# Akcent, Dilemma (feat. Meriem)

Come on, come on, uh ey uh ey  
Come on, come on, uh ey uh ey  
Come on, come on, uh ey uh ey  
Come on, come on, uh ey uh ey

I wanna feel in love, yeah  
But only with my girl  
'Cause you come around, and  
Made me want you, mi amor  
You kill me, kill me  
I'm gonna die tonight  
You move all my senses with your sweetest smile  
Girl you're playing with my mind  
(Dilemma dilemma dilemma)  
Girl, you've made me feel so fine  
(Dilemma dilemma dilemma)  
Why you're playing with my mind  
(Dilemma dilemma dilemma)  
Come with me and stay the night!  
(Dilemma dilemma dilemma)

Come on, come on, uh ey uh ey  
Come on, come on, uh ey uh ey  
/2x

[Meriem:]  
There's a mystery hidden in your eyes  
One point in this and I'm hypnotized

You kill me, kill me  
I'm gonna die tonight  
You are like the poison that makes sweet life  
Girl you're playing with my mind  
(Dilemma dilemma dilemma)  
Girl, you've made me feel so fine  
(Dilemma dilemma dilemma)  
Boy, you're playing with my mind  
(Dilemma dilemma dilemma)  
Come with me and stay the night!  
(Dilemma dilemma dilemma)  
Hey girl, stay with me  
You're the girl of my fantasy  
Hey girl, stay the night  
I'm in trouble, but it feels alright!  
Hey, hey boy, hey hey  
Hey boy, yeah yeah  
Hey, hey girl, hey hey  
Hey girl, yeah yeah  
Girl you're playing with my mind  
(Dilemma dilemma dilemma)  
Girl, you've made me feel so fine  
(Dilemma dilemma dilemma)  
Boy, you're playing with my mind  
(Dilemma dilemma dilemma)  
Come with me and stay the night!  
(Dilemma dilemma dilemma)  
Come on, come on, uh ey uh ey  
Come on, come on, uh ey uh ey
