Akon, Blame me on it

As life goes on, Im starting to learn more and more about responsibility. And I realize that everything I do is affecting the people around me.

So I want to take this time out to apologize for things that Ive done,

things that havent occurred yet,

and things that they dont want to take responsibility for.

Im sorry for the times that I left you home

I was on the road and you were alone

Im sorry for the times that I had to go

Im sorry for the fact that I did not know

That you were sitting home just wishing we

Could go back to when it was just you and me

Im sorry for the times I would neglect

Im sorry for the times I disrespect

Im sorry for the wrong things that Ive done

Im sorry Im not always there for my sons

Im sorry for the fact that Im not aware

That you can't sleep at night when I am not there

Because Im in the streets like everyday

Im sorry for the things that I did not say

And how you are the best thing in my world

And how Im so proud to call you my girl

Chrous:

I understand that theres some problems

And Im not too blind to know

All the pain you kept inside you

Even though you might not show

If I can't apologize for being wrong

Then its just a shame on me

(Id be the reason for your pain) or (III be the reason for your pain)

And you can put the blame on me

said, you can put the blame on me

said, you can put the blame on me

said, you can put the blame on me

you can put the blame on me

Im sorry for the things daddy put you through

And all the times you didnt know what to do

Im sorry that you had to go and sell those bags

Just trying to stay busy until you heard from Dad

When you would rather be home with all your kids

As one big family with love and bliss

And even though pops treated us like kings

He got a second wife and you didnt agree

He got up and left you there all alone

Im sorry that you had to do it on your own

Im sorry that I went and added to your grief

Im sorry that your son was once a thief

I wish I would of listened and not be so bad

Im sorry that your life turned out this way

Im sorry that the feds came and took me away
