

Akon, Enjoy That

Why have a life like mine?
If you don't take time to enjoy that shit?
(Enjoy that shit, enjoy that shit)
"Hey" So why have a life like mine
If you don't take time to enjoy that shit?
(Enjoy that shit) "yeah"

Nigga, I got bitches I got hoes
I got liquor, I got dro
Type of party that nobody want
Nobody else to know
I got shiny, I got glue
Yeah, she like me and my flow
And if you're hoe, walk through my door
Don't ring my line, just check your hoe
Cause I got paid, I hit the door
I got out then I got dough
Then I had all my young boys
Serving posted up on every stoop
I got shooters, I got goons
I got friends and I got foes
I got niggas in the hood
I thought I would never outgrow

So, why have a life like mine
If you don't take time to enjoy that shit?
H(Enjoy that shit, enjoy that shit)
So, why have a life like mine
If you don't take time to enjoy that shit?
(Enjoy that shit)
