

Akon, Gringo

Konvict Music

Upfront

Gotta get my block sold up.. u know me

Gotta get my block sold up.. u know me

[Chorus]

E'yo gringo e'yo gringo

I heard you wan some marijuana

Or some pure white coca

E'yo gringo e'yo gringo

See I never been a smoker

I'm just ur neighborhood dealer

And I'm tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

See I woke up early as hell one morning

And I noticed my stash was half gone

Cuz these feen's cant stop smokin' ma rocks

Cuz around my way these nigga's been worry

Fighting for territory thats mine

Cuz these cats cant stop live cuz of my shots

I'ma show u right now I'm reason the block is moving

I got dubs at the price of a dime

Thats why I'm on top and I wont stop

Cuz I get it so cheap no matter what I wont be losing

Re-up spots is so hard to find

But I got one

Cool ass Mexican man

[Chorus]

E'yo gringo e'yo gringo

I heard you wan some marijuana

Or some pure white coca

E'yo gringo e'yo gringo

See I never been a smoker

I'm just ur neighborhood dealer

And I'm tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

Tryin to keep my block sold up..

You can find me on the other side of the border

Where the 100 grand in my pocket

For the first trip jus' pack a lil somethin'

Cuz I'ma bring the work back by the air

or even by water

Whatever it take to get to the crib

Gotta play it safe cause they out there

See I got so much client ale waiting

I can't just make one trip

But I gotta get enough to supply the sibling

But I gotta be careful smugglin' in

Vaseline rapped around so it hide the sent
While I wait Jose
He'll bring it to me

[Chorus]
E'yo gringo e'yo gringo
I heard you wan some marijuana
Or some pure white coca
E'yo gringo e'yo gringo
See I never been a smoker
I'm just ur neighborhood dealer

And I'm tryin to keep my block soad up..
Tryin to keep my block sold up..
Tryin to keep my block sold up..
Tryin to keep my block sold up..
Tryin to keep my block sold up..
Tryin to keep my block sold up..
Tryin to keep my block sold up..
Tryin to keep my block sold up..

[Outro]
