

Akon, I Can't Wait [Clean]

I can't wait, I can't wait
I think of you, when the mornin' comes and the night time goes away
All day, don't you ever think that we won't be okay
No way, there is nothing stoppin' me from lovin' you
Touchin' and rubbin' and kissin' and huggin' you
What's this feeling takin' over me?
Baby that's love and it ain't no stoppin' it
I don't know as far as the eyes can see
Pick up the pace and it ain't no droppin' it
Always forever I'll be by your side
You are my Bonnie I'm your Clyde
That's the way that it's gonna be
I'm in love with you and you in love with me
I can't wait, sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, you and me
I can't wait, sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, you and me
I can't wait
I can't believe that someone like you will love me endlessly
Forever, if this goes our way my love will always be
Eternity, you have set my mind, my love, my heart so free
Together, forever, however just you and me
What's this feeling takin' over me?
Baby that's love and it ain't no stoppin' it
I don't know as far as the eyes can see
Pick up the pace and it ain't no droppin' it
Always forever I'll be by your side
You are my Bonnie I'm your Clyde
That's the way that it's gonna be
I'm in love with you and you in love with me
I can't wait, sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, you and me
I can't wait, sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, you and me
I can't wait, to have you right next to me here by my side
I can't wait, to kiss and caress you girl while I'm holdin' you tight
I can't wait, can't imagine life without you it just ain't right
I can't wait, I gotta whole other lovin' and you gonna get it tonight
I can't wait, sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, you and me
I can't wait, sit down and talk for a minute
Go outside and take a walk for a minute, for a minute, you and me
I can't wait, I can't wait
I can't wait, I can't wait
