Akon, I Love It

Akon and Shaggy, ooh yeah Love ain't got nothin' to do with it Come on now Me waan fi leave you long time

Nuff man a search for your sign

She say she love me till the end of time But that a not really have pon me mind

Me waan fi leave you long time

Yuh know enuff a man search fi your sign She say she love me till the end of time But that a not really have pon me mind

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love?

That's it, can't take no more

I'm leavin', got one foot through the door

(But I love you)

I had my doubts before

I thought it through, now I'm gone for sure

(But I love you)

Can't let you tie me down

I wanna have fun and mess around

(But I love you)

I gotta stand my ground

Though you're the best thing I found

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love?

I hope for goodness sake

That you would just cheat, make some mistake

(But Í love you) So perfect, ???

You gave me no reason to escape

(But I love)

Won't hide, I got skirts to chase

Don't wanna be thrownin' it in your face

(But I love)

I pray for God some days

We fight and go our separate ways

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love?

Me waan fi leave you long time

Enuff of man a search for your sign

Say that she love me till the end of time

But a that not really have pon me mind

Me waan fi leave you long time

Enuff of men a them search for your sign

Say that she love me till the end of time

But that I not really have pon me mind

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it? What's love?
