

Akon, Just a man

I beat you to the punchline
Girl I love you
Now what we
What we gon do
I mean it really
When I say I love you
Whatever today
I will not do
Cause I hear your prayers
Late at night when no ones listening
Praying I stay the same.

Chorus:

Im not your father
I wont desert you
Im not your ex
Not trying to hurt you
Im just a man
Tryin love you
Im just a man
Trying to love you.
Your walls are so impossible
Im tired
As Im climbing
They keep on multiplying
Everytime theres progress
We regress
And Im stressed
All I wanna know
Is why you cant let it go.

2 x Chorus:

Im not your father
I wont desert you
Im not your ex
Not trying to hurt you (oh no)
Im just a man
Tryin love you
Im just a man
Trying to love you.
Cause everything you ever want
Is standing right in front of you
Everything you ever need
I make sure I put by for you
And I know youre scared
And Ive had my days too
Lets just face this thing together.

2 x Chorus:

Im not your father
I wont desert you
Im not your ex
Not trying to hurt you (no)
Im just a man
Tryin love you
Im just a man
Trying to love you
Yeah.

Hey

Yeah

Give me that chance baby
I wanna love you
Said I wanna love you
Let me love you baby
Let me love you baby
Ohh
