

Akon, Like I Never Left (ft. Whitney Houston)

Oohhhhh yeah yeah
Did u ever wish (wish)
U can get back somethin that u did in ur past? (yeah)
If it wasn't for me I know what we had was definitely gonna last.
I admit (admit)
That we say some things we dont mean when we're mad (yeahhh)
But I realize that Ive been foolish
I never should turned my back.
Cuz its a cold world when ur out there all alone (all alone)
So many times that I wanted to just pick up the phone (up the phone)
And tell u oohh baby baby I miss your lovin so
I aint holdin back no more
Ur girl is comin home
And I want you to love me
Like I never left
And I want u to hold me
Like I never left
And I want u to touch me yeah
Like I never left
Come give me what Im missin
Like I never left (yeahhh)

(AKON)

Do u think (think)
We can pick up where we left off before the day (the day) (yeah)
That I told u it was over packed my things and moved away (away)
Cuz I see (see)
That without u my world was just an empty place (place)
Takin one step away from u feels like a million miles away.
Cuz its a cold world when ur out there all alone (all alone)
So many times I wanted to just pick up the phone (up the phone)
And tell u oohh baby baby I miss your lovin so....
But I aint holdin back no more (nooo),
Cuz ur man is comin home (home)
Yeahh!

(WHITNEY)

And I want you to love me
Like I never left
And I want u to hold me
Like I never left
And I want u to touch me baby
Like I never left
Come give me what Im missin
Like I never left (oohhh yeahhh)
