

# Akon, Troublemaker

All stead up in the club just swagging doing my thang  
Popping bottles with models and just watching them drank  
Partying so hard the ladies don't want it to end  
They looked at me and said, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker

See, I'm that type of guy you won't love  
I'm that type of guy you won't cuff  
I'm that type of guy you daddy won't let you go out, cause he thinks I sell drugs  
I'm that type of guy that will save ya  
I'm that type that will call you later  
Won't be around to give you that time  
Gotta get on the grind and get to that paper  
That I can do  
Gotta keep my baby girl laced up in the latest and the fliest suits  
Never one for none, let's get cake up, hold it down, that's all you gotta do  
Then I walk up in the place, with a pocket full of money, my brother like what I outta do  
Steppin out with the finest suits, look at me now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them drank  
Partying so hard, the ladies don't want it to end  
They looked at me and said, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker

See I'm that type guy that likes kissing  
I'm that type that will pop the clip and  
I'm that type of guy that put you in your place  
If you ??? just start tripping  
I'm that type that will let you go  
I'm that type that will let you know  
That everywhere I go, I can find a pretty hoe  
But there ain't too many know how to get that dough  
That's the type of girl I want around me  
Even though I'm a with her, make a man feel free  
Roll with the fellas, even hold my cheese

Look like something you would see on TV  
She don't mind climbing up that ladder  
Similar to the words, it don't matter  
But this time they wanna see us together  
Look at us now

All stead up in the club, just swagging doing my thang

Partying so hard, the ladies don't want it to end  
They looked at me and said, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker, I heard that you're a heart breaker  
Baby I'm a troublemaker

You're not for sure  
Even though I wanna take you everywhere I go  
Because of you, all the girls is staring, takin notes  
And I realize being with you girl bring more girls  
And that's just what I'm attracted to  
And I'd rather go all the way

Love her long time, till the break of day  
I won't ever let her leave my bed  
Till she sees the colorful feather like Annie Mae  
Now she wants to start holding on me, like whatever she's smoking on  
I'll be long gone before you can say, look at me now
