

Akrobatik, If We Can't Build

feat. Bumpy Knuckles

[Intro - Akrobatik]

All my hardcore heads, middle fingers up (uh, uh, uh, yeah, yeah)

All my hardcore heads, middle fingers up (what?)

[Bumpy Knuckles]

If we can't build, then you will be destroyed (uh, what?, c'mon, yo)

[Akrobatik]

All my hardcore heads, middle fingers up (one time!)

B-boys in the place (yeah), middle fingers up

[Bumpy Knuckles]

If we can't build, then you will be destroyed (yo, c'mon)

[Verse 1 - Akrobatik]

Bumpy Knucks, Big Ak, yeah we doin it big, pack

The spots, make it hot and never be where the pigs at (uh)

I miss that money, when I don't make it

So if your nose is all up in my biz, I gotta break it (no doubt)

I don't burn bridges and such

But if you fuckin with my business, you gettin fucked up

Broke legs, hurt feelings and dreams deferred

All I gotta do is give my team the word (yeah)

Then the vision of your scheme is blurred (blurred)

Courtesy of the illest cats that you ever seen or heard (what up!)

The third rock away from the sun is now mine (mine)

So to anybody fuckin with me or my shine (yeah!)

[Chorus - Akrobatik]

If we can't build, then you will be destroyed (now, now)

Now Bumpy Knuckles has a title, title

And Akrobatik, has a title, title (c'mon!)

If we can't build, then you will be destroyed

Yo, Freddie, Freddie Foxxx has a title, title (c'mon!)

And Illmind has a title, title (yeah!)

[Verse 2 - Bumpy Knuckles]

Yo, it's the dopest MC, with the O.G. flow

That real nigga shit, I spit, will drop you yo

Don't act like Ak won't come back with Bumpy, the clout

That's how I rock for my comrades, black (comrades, black)

In a hoodie, all black, car arched, forty below

And it ain't no talkin, just two 40's that blow (BLAOW!)

"How You Like Me Now" like Modie

If niggaz murder you, I'm a Co-D (what?)

Since I was a roadie, I was studyin oldies and O.G.'s

Ask any gangsta, they know me (that's what he do, my nigga)

See if we can't build, then you will be destroyed

Startin them bullshit beefs, you should avoid

If I get annoyed

You'll make the Amber Alert like a missing little boy (whoa!)

[Chorus - Akrobatik]

If we can't build, then you, what? (c'mon!)

If we can't build, then you will be destroyed

Now Bumpy Knuckles has a title, title

And Akrobatik, has a title, title (yeah!)

If we can't build, then you will be destroyed

A to the K has a title, title

Yo, Freddie, Freddie Foxxx has a title, title (c'mon!)

And Illmind has a title, title
