

# Al Kooper, I Love You More Than You'll Ever Know

If I ever leave you  
You can say I told you so  
If I ever hurt you babe  
You know I hurt myself as well  
Is that any way for a man to carry on?  
D'you think he wants his little loved one gone?  
I love you baby, more than you'll ever know  
More than you'll ever know  
When I wasn't makin' too much money  
You know where my paycheck went  
You know I brought it home to baby  
And I never spent one red cent  
Is that any way for a man to carry on  
D'you think he wants his little loved one gone?  
I love you baby, more than you'll ever know  
More than you'll ever know  
I'm not tryin' to be  
Any kind of man  
I'm tryin' to be somebody  
You can love, trust and understand  
I know that I can be, yeah yeah  
A part of you that no one else could see  
I just gotta hear, to hear you say  
It's all right, yeah, yeah, yeah  
I'm only flesh and blood  
But I can be anything that you demand  
I could President of General Motors baby, hey  
Or just a tiny little grain of sand  
Is that any way for a man to carry on  
D'you think he wants his little loved one gone?  
I love you baby, I love you baby  
I love you more than you'll ever know, yeah  
I love you baby  
If I ever leave you  
You can say, I told you so  
And if I ever hurt you  
You know, I hurt myself as well  
Is that any way for a man to carry on  
D'you think he wants his little loved one gone?  
I tried to tell ya, I love you baby, I love you baby, yeah yeah yeah  
I love you more than you'll ever know, yeah yeah yeah  
I love you, I love you, I love you baby  
Well, all right  
I told ya, so many times before  
I love you, I love you, I love you  
If you don't know, then I'll tell ya one more time  
I love you, I love you, I love you, yeah yeah
