Alan Jackson, As Lovely As You

A big moon is risin' So bright in the sky But it won't shine brighter Than the stars in your eyes

It rises above me So bright and so blue And I won't see anyone As lovely as you

Take me into the night
Pass these lonely dreams
in my heart
I love you
More than I can show you
More than I can know in my heart

So lay down beside me And hold me tonight For your love has found me And it feels so right

These thoughts in my mind Are so scattered and few But I won't see anyone As lovely as you

Take me into the night
Pass these lonely dreams
in my heart
I love you
More than I can show you
More than I can know in my heart
In my heart
