

# Alan Jackson, Gone Crazy

Here I am all alone again tonight  
In this old empty house  
It's hard to learn what you don't think you need  
You can't live without  
Never leave the sound of the telephone  
But ever since you left  
I've been gone

Gone carzy, goin' out of my mind  
I've asked myself the reasons,  
at least least thousand times  
Goin' up and down this hallway  
Tryin' to leave the pain behind  
Ever since you left, I've been gone

I never saw your face this many times  
When you were really here  
The things you said I never understood  
Are now crystal clear  
I never spent this much time at home  
But ever since you left,  
I've been gone

Gone carzy, goin' out of my mind  
I've asked myself the reasons,  
at least least thousand times  
Goin' up and down this hallway  
Tryin' to leave the pain behind  
Ever since you left, I've been gone
