

Alan Jackson, I'd Love You All Over Again

(Alan Jackson)

Has it been ten years
Since we said "I do";
I've always heard marriage made one seem like two
But you're looking better than you did back then
You still make this old heart give in

(Chorus)
And if I had it to do all over
I'd do it all over again
If tomorrow I found one more chance to begin
I'd love you all over again

The preacher man said "Til death do us part";
That seemed like forever to a young man's heart
Now the days seem much shorter
The longer we love
And the memories just keep adding up

(repeat chorus)

If tomorrow I found one more chance to begin
I'd love you all over again
