

# Alan Jackson, I'd Love You All Over Again

(Alan Jackson)

Has it been ten years  
Since we said "I do";  
I've always heard marriage made one seem like two  
But you're looking better than you did back then  
You still make this old heart give in

(Chorus)

And if I had it to do all over  
I'd do it all over again  
If tomorrow I found one more chance to begin  
I'd love you all over again

The preacher man said "Til death do us part";  
That seemed like forever to a young man's heart  
Now the days seem much shorter  
The longer we love  
And the memories just keep adding up

(repeat chorus)

If tomorrow I found one more chance to begin  
I'd love you all over again
