

# Alan Jackson, I Don't Need The Booze (To Get A

(Toni Dae/Joy Swines)

I've been known to tie one on and honky tonk til half past three  
But the party don't get started til my baby pours her love on me  
She's a hundred proof, Lord she's smooth  
She makes me moan all night long  
So I don't need the booze to get a buzz on

I've tried It all from Tennessee Whiskey  
To Ozark Mountain Moonshine  
But it's her sweet love that packs the punch  
And keeps me higher than a Georgia pine  
Mr Southern Comfort don't come in a bottle  
I get a double shot of love home grown  
So I don't need booze to get a buzz on

My little country girl makes my head whirl and my knees begin to shake  
No I can't walk no chalk line I ain't a talking or a thinking straight  
I'm hooked on my baby's love there ain't nothing in a jug this strong  
And I don't need the booze to get a buzz on

I've tried It all from Tennessee Whiskey  
To Ozark Mountain Moonshine  
Bu it's her sweet love that packs the punch  
And keeps me higher than a Georgia pine  
Mr Southern Comfort don't come in a bottle  
I get a double shot of love home grown  
So I don't need booze to get a buzz on

I wear a Blue Ribbon grin every now and then  
But I don't need that to get stoned  
I don't need the booze to get a buzz on

No I don't need the booze to get a buzz on
