

# Alan Jackson, Thank God For The Radio

(Max D. Barnes/Robert John Jones)

On the wrong end of the highway  
When the long night has no end  
When there's no one there beside me  
'Til I hold you once again

Thank God for the radio  
When I'm on the road  
When I'm far from home  
And feelin' blue  
Thank God for the radio  
Playin' all night long  
Playin' all the songs  
That mean so much to me and you

There's a song that we first danced to  
And there's a song they played the night we met  
And there's a song we first made love to  
That's a song I'll never forget

Thank God for the radio  
When I'm on the road  
When I'm far from home  
And feelin' blue  
Thank God for the radio  
Playin' all night long  
Playin' all the songs  
That mean so much to me and you

Playin' all the songs  
That mean so much to me and you  
Thank God for the radio
