

# Alan Jackson, They Call Me A Playboy

They call me a playboy  
As I'm making my rounds  
Chasing the bright light  
Of each night spot in town

Though I never show it,  
My heart's breaking in two  
They may call me a playboy  
But I'm just lonesome for you

I once had a real love  
That was when I had you  
Now I'll never feel love  
With somebody new

This false front I'm wearing  
Is just to cover my blues  
They may call me a playboy  
But. I'm just lonesome for you

--- Instrumental ---

I once had a real love  
That was when I had you  
Now I'll never feel love  
With somebody new

This false front I'm wearing  
Is just to cover my blues  
They may call me a playboy  
But. I'm just lonesome for you

They may call me a playboy  
But. I'm just lonesome for you..
