## Alan Jackson, Who Says You Can't Have It All

(Alan Jackson/Jim McBride)

A stark naked light bulb hangs over my head There's one lonely pillow on my double bed I've got a ceiling, a floor and four walls Who says you cant have it all

My room's decorated with pictures of you Your letters wallpaper this shrine to the blues I've got precious memories at my beck and call Who says you cant have it all

I've got everything a broken heart needs I'm doing fine don't you worry about me Cause I'm lord and master Of a fools Taj Mahal Who says you cant have it all

Oh who says you cant have it all
