

# Alan Walker, Lily

Lily was a little girl  
Afraid of the big wide world  
She grew up within her castle walls

Now and then she tried to run  
And then on the night with the setting sun  
She went in the woods away  
So afraid, all alone

They warned her, don't go there  
There's creatures who are hiding in the dark  
Then something came creeping  
It told her, don't you worry just

Follow everywhere I go  
Top of all the mountains or valley low  
Give you everything you've been dreaming of  
Just let me in, ooh

Everything you wantin' gonna be the magic story you've been told  
And you'll be safe under my control  
Just let me in, ooh  
Just let me in, ooh

She knew she was hypnotized  
And walking on cold thin ice  
Then it broke, and she awoke again

Then she ran faster and started screaming  
Is there someone out there?  
Please help me, come get me  
Behind her, she can hear it say

Follow everywhere I go  
Top of all the mountains or valley low  
Give you everything you've been dreaming of  
Just let me in, ooh

Everything you wantin' gonna be the magic story you've been told  
And you'll be safe under my control  
Just let me in, ooh  
Just let me in, ooh

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Everything you wantin' gonna be the magic story you've been told  
And you'll be safe under my control  
Just let me in, ooh

Follow everywhere I go  
Top of all the mountains or valley low  
Give you everything you've been dreaming of  
Just let me in, ooh

Then she ran faster and started screaming  
Is there someone out there?  
Please help me  
Just let me in, ooh
